NOTICE

Date: 2083 Bhadra 2

All concerned students are hereby informed that the college is going to organize an Interdisciplinary **Ideathon Competition** titled **"IDEA2IMPACT 360: Lab • Tech • Market"** with the aim of encouraging innovation, interdisciplinary learning, and practical problem-solving among students.

The Ideathon is open to Undergraduate and Postgraduate students of the following programs: BCA, BBM, BBS, MBS, Pharmacy, Food Technology, Microbiology, and Biotechnology.

Students will work on real-world problems under the following problem domains:

1. Digital Health and Diagnostics
2. Food Innovation, Safety, and Nutrition
3. Pharma, Wellness, and Preventive Care
4. Biotech and Bio-Processes
5. Sustainable Bio-Economy

Program Roadmap (Highlights)

The program will include orientation, interdisciplinary team-based ideation, mentorship support, concept or prototype development, and final pitch presentation.

Awards and Certificates

- First Prize: NPR 20,000 with Award and Certificate
- Second Prize: NPR 10,000 with Award and Certificate
- Participation Certificates will be provided to all participants.

Post-Event Opportunity

Promising ideas will receive post-event guidance and mentoring, including bridging support toward potential seed funding, based on evaluation and feasibility.

Registration Information

Interested students must register individually through their respective departments. The last date for registration is **19th Bhadra, 2083**. Late registrations will not be accepted.

For further information, please contact your respective department offices.

Campus Chief
Dr. Nava Raj Heka
