NOTICE

**Extension of Admission Deadline for B.Sc. Microbiology Program
2083/2026 Batch**

Date: 2083-06-13

This is to inform all concerned students, parents/guardians, and interested candidates that National College (NIST), Lainchaur, Kathmandu has decided to extend the admission deadline for the Bachelor of Science in Microbiology (B.Sc. Microbiology) program for the 2083/2026 academic session.

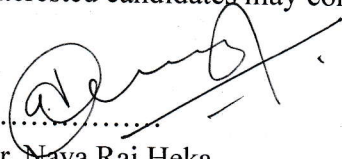

Considering the requests received from students and candidates, as well as the difficulties caused by recent natural disasters and other unforeseen circumstances, the College has extended the admission deadline to provide eligible candidates with an additional opportunity to complete their admission process.

Revised Schedule

S.N.	Particulars	Revised Date
1.	Extended Last Date for Admission	Ashwin 16, 2083
2.	Induction Program	Ashwin 15, 2083
3.	Orientation Program	Ashwin 17, 2083
4.	Commencement of Regular Classes	Ashwin 19, 2083

Students are also requested to participate in the scheduled Induction and Orientation Programs to become familiar with the academic environment, program structure, college facilities, rules, and other important academic matters.

For further information regarding admission, eligibility, scholarship, and other academic matters, interested candidates may contact the College Admission Office during office hours.
